WHO ATTENDS: Attendance to ValleyCon represents a wide gamut of participants, young to old, fantasy focus to real-life interests. Approximately 60% of attendees are male; however the female category is rising quickly. The majority of attendees are of college or young adult age, but some even as young as 12. The rise in nostalgia and broad interests of baby boomers has also introduced a large percentage of those over 30, with a great many grandparents even attending! We welcome thousands each year, with a local college population of over 30,000 in just the metro area alone and many tens of thousands within a few hours drive.
