We have a stated mission to bring a wide variety of options to our attendees and we do listen, so chime in and let us know what you'd like to see! Needless to say, we are excited by the huge variety of guests and programming this year, our expansion of gaming and anime programming, the return of the Fargo Fantastic Film Festival Movie Room (featuring pop culture classics!) and our new partners in late-night fun, the VALKYRIES of the VALLEY! Check the program guide carefully and visit the vendors—which also houses our artists alley and guest tables—and then enjoy!

I just want to thank everyone who helped this year, especially Curtis & Jenn Ness, Chris Perez, Rhiannon and Ashley, Audrey, Jim and Mary Bentzin, Dave Molay, Alan and Shaina Lindahl, Jesse & Brigit Pigeon, Brent Peterson, Dan Hillstrom, Steve Eldred, Krista Arendes, Ben Larson, Kip Marvig of Comic Junction and RICH EARLY of Paradox Comics. I also want to thank the gang at Shinespark for E- Gaming and especially CODY GREFF, TIM DEFORGE and ERIC FALDE who work with me at Moorhead Community Access Media and do TONS of work outside this event and all our other events. I need to also thank SCOTCH and BRITTA of Jack FM for hosting the evening cosplay costume contest and live auction to benefit Sanford Children's Hospital! We have many others to thank from our organization to many outside of it so please forgive me if I leave anyone out.

We especially want to mention our generous sponsors and supporters: HALLOWEEN EXPRESS, THE FARGO CW and METV, PARADOX COMICS, TRAVELS BY ERICA, APPLAUSE, COMIC JUNCTION, LITTLE BIG WARS, BIG NICKS CARDS, THE HSCCC (HJEMKOMST CENTER!), Dave Jacobs and many, many more! Last but not least is the guy who started it all 40 years ago, Rudy Sigmund.

Have a great weekend and look forward to next fall as we finalize plans! Please chime in on it too! Thank you for coming and everyone—have FUN!

IM THE SPIRIT OF VINCENT PRICE!

ValleyCon is all in good fun... but there are rules... which you should pay close attention to.. Badges **ARE** your ticket. They tell us you belong here. Badges **MUST** be worn at all times, especially in the party room areas. We will eject anyone (or at least bring them to the Pit and the Pendulum...) who cannot show they belong here. This **INCLUDES** inside the party rooms, as ValleyCon subsidizes every room and have an agreement with the hotel to **NOT ALLOW ANY LOUD PARTIES OUTSIDE THE ROOM AREA**. Anyone deviating from this shall be... dealt with... (and no refunds of any kind given) and that room will be shut down by the hotel and their security, with possible additional issues from the police department.

21 is the legal drinking age.

Anyone exhibiting overly aggressive behavior will not be tolerated. **Be respectful of everyone and remember that COSTUMES DO NOT EQUAL CONSENT!** If you wish to take a photo, be in the pic, etc.. be respectful and **ask first** please... and no matter what level of expertise or for that matter, no matter the person here at ValleyCon, **be RESPECTFUL**. Any boorish behavior and you will be ejected (at the very least). Everyone is here for fun.. that said, let's have fun!

Get some rest, eat something, shower, use deodorant (how unsavory to even have to

mention it..) and **BE POLITE!**

No smoking **ANYWHERE** unless expressly approved (which basically means nowhere) and at **LEAST 20** feet from the doors outside.

No photography without permission & **ask permission for video/audio, etc. with any guest. If they did not give you consent, you DON'T HAVE IT!**

Special rules apply to weapons for costumes, etc... follow them or items will be confiscated and authorities will be called.

Decisions of those running the event are final and carry the weight of the hotel and law enforcement behind it. Yes, for all purposes, they do "own" the place while they are here.

Enjoy the events and if you have any questions, ask the Chairman! Or just stay in the dark for a few moments and you may have a visit...

The Standard Announcements of issues, rules, etc. we are legally obligated to make-and you to accept or leave the premises (as we won't allow you to stay and yes, we have every legal right to do so!). Cheers!

DRINKING

21 is the legal drinking age. Hospitality Suites **ARE NOT RUN BY VALLEYCON** and some do serve alcohol, so it is up to them to card. They will do so **VIGOROUSLY**. Even if you look like you're 95, a **PHOTO I.D. IS REQUIRED**. Party Suites have the **ABSOLUTE RIGHT** to refuse service or entrance to anyone. ValleyCon will not tolerate underage drinking and anyone caught doing so will have his or her memberships revoked and criminal prosecution may occur.

SMOKING

According to State Law, virtually **ALL** areas are public areas and are **NON-SMOKING** and are marked as such. There is **ABSOLUTELY NO SMOKING IN ANY FESTIVAL PANELS, ART SHOW, MERCHANTS ROOM, GAMING, OR OTHER DESIGNATED AREA**. Smoking is allowed **ONLY** in designated private rooms or **at least 20 feet** away from the outside entrance.

LOST OR STOLEN ITEMS

ValleyCon is **NOT** responsible for stolen, lost or misplaced items. Please take care of your belongings. In the event of something going missing, check with the hotel front desk or at the ValleyCon registration table. *Note-we do cooperate fully with the Fargo-Moorhead Police Dept.

Firearm replicas (toy guns) – Are not allowed (except completely peace-bonded and approved per person)

Pikes and Halberds- Are not allowed

Swords, Knives, Dirks & Daggers – Must be completely sheathed and *peace-tied*.

Axes, Claymores & Maces(includes all clubs/bats/etc.) – Are strongly discouraged but if you insist Axes must be sheathed and *peace-tied*. Claymores and Maces must be *peace-tied* to your person (strapped to your back, tied to your belt, etc.). All else peace tied.

Walking sticks/Quarterstaves – Are allowed with extreme care.

Any other variation of weapons with distinction to be made by ValleyCon ONLY!

Definitions:

Sheath: a protective covering, usually of thick leather that protects the edge of the blade, the wearer and anyone near them from damage. The sheath must cover the entire blade, not just the tip.

Peace-tied: the method of securing a weapon to the sheath, belt or body of the wearer. If the weapon is not peace-tied upon arrival at the festival front gate a worker must peace tie it for you.

Andy Held

Remembering Andrew "Andy" Held. Andrew passed on October 8, 2018 from complications of kidney disease. Andrew battled health issues his entire life and had 2 transplants, one when he was 2 and one when he was 14. His second kidney failed after 8 years in 2013 and he began dialysis while awaiting another kidney. His heart had also begun to fail near the end of his life.

Andrew was a beloved member and friend of ValleyCon and loved volunteering and attending when his health issues allowed. Andrew endured a lot of pain and medical procedures but never complained and smiled through it all. His favorite superhero was Wonder Woman and he even cosplayed often as her. We hope your memories of Andy will make you smile as you remember him this ValleyCon weekend. Remember to say his name! He will always be our favorite superhero!

BUTCH PATRICK

Butch Patrick (born August 2, 1953) is an American former child actor. Beginning his professional acting career at the age of seven, Patrick is perhaps best known for his role as child werewolf Eddie Munster on the CBS comedy television series *The Munsters* from 1964 to 1966 and in the 1966 feature film *Munster, Go Home*, and as Mark, on the ABC Saturday morning series *Lidville* from 1971 to 1973.

In 1964, Patrick landed the role of child werewolf Eddie Munster, starring alongside Fred Gwynne as Herman Munster, Yvonne De Carlo as Lily Munster and Al Lewis as Grandpa, on the CBS television series *The Munsters*, a fantasy situation comedy loosely based on Universal's movie monsters. The role of Eddie was originally portrayed by child actor Happy Derman in the pilot episode before Patrick was ultimately selected out of hundreds of boys for the role.

When asked how he landed the role of Eddie, Patrick recalled "I had a lot of experience. But maybe it was because my fangs were my own teeth. My teeth were so bad, that even when I closed my mouth they stuck out. I was about a head smaller than the other kids, and they liked that because it played off Herman's height." Living on the East Coast at the time, Patrick commuted to Los Angeles every week during filming of the series, appearing in 70 episodes during *The Munsters* two-season run from 1964 to 1966.

After *The Munsters* ended, Patrick continued to appear in guest-starring roles on various popular television series of the 1960s, including *I Dream of Jeannie*, *Death Valley Days*, *Gunsmoke*, *The Monkees*, *Daniel Boone*, and *Adam*, as well as a recurring role as Gordon Dearing on the CBS family comedy series *My Three Sons*. During this time, Patrick also appeared in several Walt Disney films, including *Way Down Cellar*, *The Young Loner* and *The One and Only, Genuine, Original Family Band*, as well as portraying the role of Milo in the 1970 MGM live-action/animated film *The Phantom Tollbooth*.

TIFFANY JOHNSON

Acclaimed psychic, Tiffany gives inspiration, insight and understanding into your ever-changing life.

Tiffany, at an early age, showed an interest in the Metaphysical realms. At 14, she began reading Tarot cards for friends and family. Continuing through junior high, high school & college she read, honing her talents and developing others. Further into adulthood, a series of events brought her back to her New Age Spirituality and deeper studies of holistic healing, herbs, oils, stones, energy work, past life work, Angels, Reiki, etc. Having personally worked and trained with well known psychics and healers, she knows what an integral part of life and soul development readings can be. Now, at age 34, Tiffany continues her studies and assists other people in theirs. Through classes, readings and healings she works to enlighten her clients to spirit's/God's/Goddess's nature and beauty.

In her Tarot readings, Tiffany gives inspiration, insight and understanding into your ever-changing life. Tarot offers symbolic guidance to assist you on your personal path. In addition to guidance and clarification, the Tarot is enjoyable and entertaining. It is an energizing way of divining your personal path.

In a channeling session with Tiffany, guidance & messages from our angels, spirit guides, those on the other side and inner light comes through.

In addition to channeling, Tiffany also utilizes her inner voice, intuition. This assists not only in interpreting the message given, but understanding where it applies in your life.

As a healer, Tiffany is a Reiki Master. Reiki is a Japanese healing art developed by Mikao Usui. Reiki can relieve pain, acute problems, and chronic illnesses depending on the specific nature of the disease. Reiki honors the ecology of the person by working on spiritual, mental and emotional levels.

Beyond the spiritual counseling and healing, Tiffany is also an ordained minister. She provides a unique style to many various rites of passage (marriage, baptism, commitment ceremonies, etc.) that adapt and respect all faiths and belief systems. In addition to her officiating at life ceremonies, Tiffany's studies and ordination give her a perspective that is not only comforting, but educating as well.

Tiffany is also a certified Hypnotherapist specializing in past life regression therapies. This modality assists in her practice as a tool to help work through many of those karmic issues we have chosen to bring into this lifetime.

Late in 2006 Tiffany was asked to be a part of the Greater Lakes Search and Rescue team. This team, comprised of all of volunteer police, paramedics and emergency medical technicians works on missing persons cases in the Midwest.

The Fargo Ghost Chasers are a team of Paranormal Investigators based out of Fargo, ND. Since it's inception in 2007, The team has been visiting known & unknown places in an effort to prove whether these places are haunted or not. ANIME JUNCTION PROGRAMMING POOLSIDE - ROOM 170

FRIDAY

4 PM: *Ultimate Otaku Teacher*

Junichiro Kagami is on his sister's last nerve. It's time for him to get a real job! Tired of his lame excuses, his sister gets him a job doing something he'd never expect—teaching! Teaching is the last thing Kagami yearns to do, at least until he comes across the various problems his students face outside of the classroom. What he teaches these kids will be beyond the books!

6 PM: *One Piece: Strong World*

When the Straw Hats catch wind of trouble in the peaceful waters of the East Blue, they quickly set a course for home! But before they reach their destination, fate leads them into the deadly path of Golden Lion Shiki.

8 PM: *A Silent Voice*

A deaf elementary school girl named Shoko Nishimiya transfers to a new school and meets a boy named Shoya Ishida. Shoya leads the school in bullying Shoko over her disability until she transfers to another school. Upon entering high school, Shoya finally decides he must find Shoko to make amends for what he did.

10 PM: *Monthly Girls' Nozaki-Kun*

You know how the story goes: girl crushes on guy, girl confesses feelings to guy, guy mistakes confession for a job application. Okay, maybe that's not how it usually goes, but that's what happens when Chiyo gets up the nerve to tell her classroom crush Nozaki how she feels.

12 AM: *Ranma 1/2*

From master creator Rumiko Takahashi, the mixed-up, madcap, martial arts romantic comedy RANMA 1/2 returns! Watch the gender switching, jealous rages, and martial arts battles unfold all over again!

SATURDAY

12 PM: *Ben-to*

Every day an epic struggle rages in grocery stores across Japan—the battle for half-priced bento boxes! Welcome to the world of Ben-To, where chopsticks are lethal weapons, the supermarket is a battleground, and there's nothing more delicious than a deep-fried win.

2 PM: *Gosick*

In this 1920s tale of dark intrigue and romance, Japanese exchange student Kazuya Kujo strikes up a fast but uneasy friendship with the doll-like genius Victorique. Both outcasts, Victorique and Kujo explore the unsolved mysteries at their school.

4 PM: *ReLife*

Arata Kaizaki is a 27-year-old loser. When he meets a member of the ReLife Research Institute, he's offered a mysterious pill that could give him a chance to pull his life together. The catch? He must make it through another year of high school. Is being a teenager again worth a new life or will he end up failing again?

6 PM: Food Wars!

Ever since he was little, Soma Yukihiro's main goals have been to beat his father in a cooking contest and take over the family diner. That's why, when his dad suddenly announces that he's shutting the restaurant down and sending Soma to cooking school, Soma is shocked. However, Tohtsuki Academy is no ordinary cooking school.

10 PM: Napping Princess

The year is 2020, three days before the opening of the Tokyo Olympics. While she should be studying for her exams, Kokone Morikawa is often dozing off, stuck between reality and a dream-world full of fantastic motorized contraptions. But after her father, a talented but mysterious mechanic, is arrested for stealing technology from a powerful corporation, it's up to Kokone and her childhood friend Morio to save him.

12 AM: Prison School

When the prestigious all-girls Hachimitsu Private Academy becomes co-ed, five young men are the first males to attend. But the girls aren't so accepting of their new classmates. After the boys get caught peeping, The Underground Student Council enforces an absurd punishment.
