Special Deals for fan groups!

Attention all fan groups! VALLEYCON 36 has special deals for you!

ValleyCon is THE annual celebration of popular culture (at least in our region!) and we want to encourage ALL fan groups to attend ValleyCon and represent your particular interest. There are a few major things you can do: attend ValleyCon (of course), host a party room to promote your group (and have a place at the convention) and present programming and events to further promote yourselves (also consider ad/sponsorships and more!). Fan table space is available for free or a small charge for more space!

- **ATTEND!** ValleyCon pre-registration is only \$45 for adults, \$30 Students (until 9/20/10 then it goes to \$50/\$35) but a special deal for fan groups:

Register 4 members at regular rates and the 5th is FREE!

*Easiest method: send in all 5 registrations—make note of your group—and the discounted rate per person is: \$36 (adult) or \$24 (Student). DEADLINE For this price is 9/20/10!! It goes up to at-the-door prices and the group deal will DISAPPEAR so don't delay! Or send them individually but make sure you get them all in! No limit—we'd welcome 5, 10, 15 or more of every group! **Only good for full registration**—not daytime or All-day passes!

- **HOST A PARTY ROOM!** ValleyCon reserves all poolside rooms for parties and we offer discounts to those hosting parties! Stay and play for 40% off!

*Previous party rooms have a 50% discount but our deadline for that discount is past—but 40% off is available until 9/20! Just book a space (thru ValleyCon—we already have all poolside rooms) and payment is due no later than 9/14 (preferably earlier). Remember—you can use the party room for sleeping too!

- **PRESENT PROGRAMMING/SPONSOR!** ValleyCon has programming time and space available and sponsorship greatly increases your club promotion!

*Present informational panels or workshops and also promote your group! We're always looking for additional "experts" in all areas of interest (seriously—we're open for almost everything!) so let us know of anything either directly related to your group or something else you have passion and expertise in!

*Sponsorships are available at the fan rate of 50% of the regular sponsorship rates (same as program guide ads, etc.) making it VERY affordable for most! Check out the sponsorship info for a whole other level of promotion!

- **TABLE SPACE!** ValleyCon has free space on the fan table and discounted tables right outside the dealers/vendor room!

*Tables for fan groups are limited but they're available for \$40 (full table) or \$25 for a shared half-table! Email us to reserve a space—by order in which they're reserved (and paid!).

CONSUIITE SPECIAL DEAL!

*NEWLY UPDATED WITH A TWIST TO OUR PREVIOUS INFORMATION!

ValleyCon has one of the best deals on party rooms, offering a LARGE DISCOUNT to those running a room! This year, the Doublewood WAS to undergo renovations to the poolside rooms making more of them LARGE SUITES but this has been changed! We are not sure of the renovations being made but there may be new guidelines for furniture removal, etc.!

As this is the case, we are continuing our discount offer but it will decrease at various intervals. Right now it's 40% off (still a GREAT deal!) and we will allow you to book a room WITHOUT A DEPOSIT! We do, however, require room payment in advance (due no later than Sept. 14) as we have to make our payment for those rooms at that time.

Consuites can now be booked at 40% off!

Until 9/20/10: Party Rooms at 40% discount! ROOM PAYMENT WILL BE DUE BY 9/14 at LATEST!!

9/15/10-10/15/10: Party rooms at 20% off (if available-payment due on booking)

As with all registrations or any other tickets, these are transferable.

I am booking a party suite for ValleyCon 36 at 50% off the rate, with payment due no later than 9/14/2010. I understand it is transferable and I will also abide by all of ValleyCon's regulations for the suite.

The way it works is that we book the block of rooms and add them to our billing-you still check in, using a credit card in case of damage or other charges but otherwise you will have pre-paid for you room with a substantial discount-but this means we must receive payment no later than 9/14 so we can make OUR payment! Please try to resolve payment earlier as we will not be able to fix things if for any reason you are late-the rooms will revert to the hotel or to others who are waiting on them since we are on a guarantee with the hotel! In other words, you will pay US for the room, we pay the hotel, taking care of your discount in the meantime!
